## Leading manufacturer of accessories for power tools.

Bosch puts its faith in excellent quality and customer benefit. This is why it produces most accessories itself. Bosch is the top supplier of jigsaw and sabre saw blades, hammer drill bits, chisels and screwdriver bits, coated abrasives, circular saw blades and holesaws. The range of accessories available for Bosch Power Tools includes many system accessories that are designed specifically for certain power tools.

With more than 8000 products, Bosch offers the appropriate accessories for virtually all applications. Therefore, the Bosch universal range provides the retailer with a professional product range for all applications, all target groups and all brands of power tools.
