

Crew® Critical Task Wipers

Extra low-lint wiper for cleanrooms

Ideally suited for clean environments including:

Electronics, Semiconductor Manufacturing, Precision Instruments & Machinery, Medical Device & Diagnostic Industries, Microbiotics, Chemicals and Food Processing.

Crew® Critical Task Wipers

- Low in particulate and halogen level cleanrooms
- Won't scratch sensitive surfaces
- Made from patented non-woven surface fabric
- Wipes cleanly to eliminate surface fibres and traps particles
- Absorbent, soaks up four times its weight in liquids
- Acid resistant, won't disintegrate from chemical exposure
