Flexibility is the hallmark of the Energizer® Booklite. Useful in many up-close applications, the large extended spring clip mounts securely to books, clipboards and eReaders. The neck bends easily and then holds its position for precision lighting. A 10 hour run time and lifetime LED lamp keep operating costs low. In addition, the light is available in multiple colour combinations.

HANDS-FREE

- Large spring clip mounts on many surfaces
- Light where you need it without having to hold it

RELIABLE

- Lifetime LED light source
- 10 hours continuous run time (using Energizer® CR2032 Lithium coin cells)

HANDY

- Flexible neck repositions easily
- Slide switch is easy to operate

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
