

## 633024

European Region

The Energizer® Rechargeable Emergency torch is a valuable addition to your lighting choices. When fully charged, the light will operate for about 19 hours. When plugged in with the switch in the LED locator position, the Amber LED will come on if the power cuts off, helping you locate the light in the dark. And it is safe to leave the light plugged in at all times as it has overcharge protection.

### LONG-LASTING

- Light for 19 hours when batteries are fully charged

### DEPENDABLE

- LED locator comes on when the power cuts off
- Ideal for emergency situations

### HANDY

- Mounting bracket and hardware included
- Comes with AC adaptor

### DURABLE

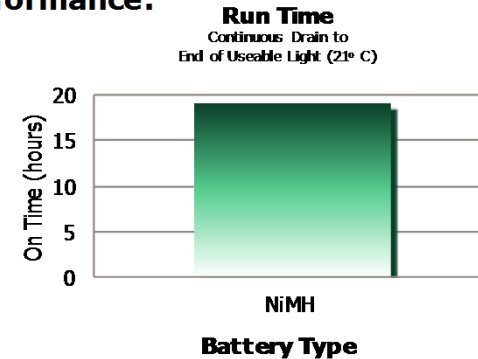

- Soft overmold cushions lens ring
- Shatterproof lens

### Product Detail:

- Designation:** Energizer Rechargeable Emergency 2AA1  
**SAP:** 633024  
**Colour:** White and Green  
**Power Source:** Two "AA" NiMH (non-replaceable)  
**IEC:** N/A  
**Lamp:** One White LED, 1 Amber LED  
**Lamp Life (hr):** Lifetime  
**Lamp Output (lumens):** 9  
**Beam Distance (m):** 30  
**Peak Beam Intensity (cd):** 225  
**Run Time (h:mm):** 19  
**Typical Weight:** 124.7 grams with NiMH battery  
**Dimensions (mm):** 177 x 44

### Performance:

Tested according to ANSI/NEMA FL 1 Standards.

**Before Using Your Flashlight:**  
Please read all instructions and cautionary markings on the package and light
